## About

I am an adaptable designer with 3 years of experience encompassing both web and industrial design. I offer a distinctive blend of digital interface expertise and physical product skills. I have a proven track record of delivering high-quality, creative solutions for diverse clients through freelancing. I am currently seeking an entry to mid-level design position.

## Experience

2025-Present, Missoula MT

### **Design Intern, Underdog Labs**

My responsibility is to design and develop the agency website and brand. I also work with the founders in personal branding projects for clients.

Main Skills Used:

Front End Development, Marketing, Web Design, Brand Design

2024-Present, Missoula MT

### **Head of Design/ Founder, Luke Smith Design**

I deliver work for clients and ensure our services are in alignment with the company goals and requirements. I've led the design and development of many brands, websites, and products.

Main Skills Used:

Front End Development, Product Design, Web Design, Brand Design

2023-2025, Missoula MT

### **Full Stack Developer/Designer, Upward Thought**

I ensure the firm's website is up to standard. If changes need to be made, I conduct the development of those changes. I led the creation of the brand and identity.

Main Skills Used:

Full Stack Development, Web Design

2022-2024, Missoula MT

### **Junior Software Engineer, Prime Labs, MS**

My main responsibility was to design, develop, and maintain the commercial website. In addition, I led the design and development of many features in the product, including table filtration,
