About

I am an adaptable designer with 3 years of experience encompassing both web and industrial design. I offer a distinctive blend of digital interface expertise and physical product skills. I have a proven track record of delivering high-quality, creative solutions for diverse clients through freelancing. I am currently seeking a entry to mid-level design position.

Experience

June 2025 - Present, Missoula MT
Designer, Flowglanz
My main tasks consist of designing landing pages for client proposals. I work directly with the founder to refine existing client websites and brands.

Main Skills Used:
Web Design

May 2025 - Present, Missoula MT
Design Intern, Underdog Labs
My responsibility is to design all the visual assets as well as websites needed for the founders' client work. I have designed and developed the website, and design work directly for clients.
